Our Staff...

We are very proud of our staff at Texas Star Gymnastics. They have spent many years in-volved in the sport. Many of our staff members were competitors themselves, but have dedicated their career to the sport of gymnastics. We are constantly staying on top of the latest coaching trends and ideas through various educational clinics and certification programs.

Our Philosophy...

Texas Star Gymnastics has a very impres-sive reputation for quality gymnastics instruction. Our philosophy is to teach children the sport of artistic gymnastics in a safe and fun environment while promoting physical fitness, improved coordi-nation and increase self-confidence. We believe our success is centered around the philosophy of teaching to the level of the child, not the class.
